### **United Guaranty Supports Second Harvest Food Bank of Northwest North Carolina**

*Contribution to Winston-Salem, NC-based organization will provide much-needed assistance for school-age children at risk for food insecurity and helps enable matching funds for individual donors.*

**Winston-Salem, NC, June 2, 2016** – Second Harvest Food Bank of Northwest NC, a Feeding America affiliate, has received a \$40,000 contribution from United Guaranty Corporation, a leader in mortgage insurance based in Greensboro, NC.

The donation is one of the largest contributions to Second Harvest this year and is being targeted to the Nourish and Flourish—End Summer Hunger campaign. The United Guaranty gift will be pooled with additional corporate contributions to match gifts by individuals, effectively doubling the impact of each \$1 donated by individuals throughout the community through June 30, 2016.

“We’re grateful for the sustained support of United Guaranty,” said Clyde Fitzgerald Jr., executive director, Second Harvest Food Bank of Northwest NC. “One quarter of school-age youths in our area are at risk of food insecurity, and, for many, the summer months are more difficult because they’re not receiving a daily meal at school.”

United Guaranty’s charitable contributions are guided by a group of employees from all levels of the company. In addition to the corporate contributions, United Guaranty employees regularly volunteer at Second Harvest’s warehouse facility in Winston-Salem, and an employee group is participating in an upcoming Second Harvest fundraiser walk.

Second Harvest works in partnership with more than 400 charitable food assistance programs in 18 counties in the Piedmont Triad region. It distributes more than 25 million pounds of donated, purchased, and prepared foods annually, providing critical assistance to more than 300,000 individuals, including 100,000 children.

**About Feeding America**

Feeding America is a nationwide network of more than 200 food banks that leads the fight against hunger in the United States. Together, we provide food to more than 37 million people through 61,000 food pantries, soup kitchens, and shelters in communities across America. Feeding America also supports programs that improve food security among the people we serve; educates the public about the problem of hunger; and advocates for legislation that protects people from going hungry. Individuals, charities, businesses, and government all have a role in ending hunger. Donate. Volunteer. Advocate. Educate. Together we can solve hunger. Visit <http://www.feedingamerica.org/>.
